Each year, we take a moment out of our busy schedules to celebrate the achievements of our alumni, faculty, and staff. This fall, we are thrilled to gather once again as a community to continue this tradition.

It's an opportunity to reflect on where our careers have taken us. What our legacy will be. And why we do this difficult yet rewarding work each day.

We are delighted to acknowledge these highly deserving honorees, celebrate their accomplishments, as well as your own.
