Dear Daniel or Wendy:

Please disregard the fax I sent you on Saturday. Per my conversation with Wendy, you'll be receiving a new cleaned-up version of the article on Tuesday for distribution. The draft I sent you Saturday had the file name "B-PAR1-6." Per Wendy's suggestion I'll entitle the file for the draft that you'll get Tuesday, "GORD-FE1.2ND" (meaning 'Gordon - First Edit1, second version').
